

ABOUT THE UNION

This year's welcome reception is organised by the International Committee of UTN, the Uppsala Union of Engineering and Science Students. This association is the union for students at the Faculty of Science and Technology.

UTN works hard on improving many areas related to your studies. It helps to maintain educational interests at the faculty and assist students with education related issues. For concerns regarding the students' voice in education, contact Egil Schultz. Egil is one of the full-time board members of the union and representative for its international members.

As member of the union you can make use the union house, Uthgård, to study or to meet friends. You can also partake in union activities or even join one of the many committees.

Membership is free and very easy to arrange. For more information and registration, have a look at the union website: <http://www.utn.se/en>

Engineering and
Science Students**

OVERVIEW OF EVENTS

For more info and registrations visit <https://master.utn.se/en/schedule>

WELCOME RECEPTION (TekNat)

4th of September

17:30 at Siegbahnsalen,
Ångström building

The faculty of Science and Technology (TekNat) organizes the first of two welcome receptions. This reception will introduce you to the people and services within the faculty.

WELCOME RECEPTION (UTN)

5th of September

17:30 at Siegbahnsalen,
Ångström building

The second of two welcome receptions, providing further information on the department, the different student services and UTN. Also provides a short talk on student life within Uppsala. The seminar is followed by a meet-

and-greet where you can ask questions to senior students and faculty staff.

Be sure to attend the BBQ immediately following this event.

PUB NIGHT

5th of September

18:30 at Union House (Uthgård),
Polacksbacken campus

Pub night, including vegan and gluten free options. Registration not necessary but let us know you're coming on the Facebook event.

Come for the food, stay for the games!

CITY RALLY

14th of September

14:00 at Gotlands parken, city
centre

We've organized an exciting city rally for you. Prepare for a scavenger hunt along some of

Uppsala's most famous spots. An excellent way to explore the city and make new friends. Meet up at the starting point with your team of six members or build a team on the spot.

Registration ahead of time is compulsory, since we have a limited number of places (see website).

GASQUE

27th of September

18:30 at Pharmen Union House

A gasque is a traditional Swedish event, with signing, drinks and great food. A stay in Sweden is not complete without one of these extensive dinners. Our biggest event!

Make sure to register on time.
